Ceistean | Questions

1. Tha cumadh a' Phlana a' gabhail a-steach amas, cuspairean, prìomh raointean agus gealltanasan. A bheil beachd agaibh air cumadh a' Phlana agus air an àrd-amas againn? The structure for the Plan consists of an aim, priority areas and commitments. Do you have any comments on how we have structured the Plan and the overall aim we have selected?

Yes, Structure.

HIE feels there is an opportunity to, have a section moving us forward to 'normalising Gaelic' across Scotland, in place of the section on, 'promoting Gaelic', which was a focus of our two earlier National Gaelic Plans.

We also feel that, post the evidence base of the partnership research, Ar Stòras Gàidhlig, there is an important opportunity to highlight our national ambition to 'Realise the value of Gaelic', perhaps as a new section 9, before moving to the Afterword. HIE would be very happy to work with BnG and others to articulate such a new section in the National Plan.

Yes, Aim. We'd like to see people benefiting from Gaelic articulated in the aim, e.g. ...using, benefiting from and learning Gaelic.....

2. Tha sinn dhen bheachd gu bheil e riatanach gum bi deagh ìomhaigh aig a' Ghàidhlig agus gum bi na raointean shuas a' cur gu mòr ri sin. A bheil beachdan agaibh fhèin air na raointean a thagh sinn no càil eile co-cheangailte ris a' chuspair seo? We believe that the promotion of a positive image for Gaelic is essential and we think that the areas above are the key areas that can make a contribution to this. Do you have any comments on the areas we have selected or alternative suggestions?

3. Tha sinn dhen bheachd gu bheil foghlam agus ionnsachadh na Gàidhlig aig cridhe a' Phlana seo. Tha sinn air liosta a dhèanamh de na prìomh raointean airson leasachadh san àm ri teachd. A bheil beachdan agaibh air seo, agus air na prìomh raointean a thagh sinn airson ionnsachadh na Gàidhlig? We believe education and Gaelic learning are central to this Plan. We have also listed the priority areas that we believe should be a focus for ongoing activity. Do you have any comments on this emphasis and on the priority areas selected for learning Gaelic?

We agree that our National Plan does need to cover education and learning, however, we feel strongly that it has to go somewhat beyond that important effort, to create a normalised environment, as well as stimulate the realisation of the measurable economic and social value of Gaelic as an asset, in order to help attract and retain users, consumers and international appreciation for the language. Such a holistic effort will support achievement of the step change needed in our overall population's attitude and culture towards the Gaelic language, which in turn will secure its long term relevance, vibrancy and future.

4. Tha sinn dhen bheachd gu bheil na raointean a chaidh a thaghadh cudromach airson cleachdadh na Gàidhlig a bhrosnachadh. A bheil beachdan agaibh air mar a dh'fhaodamaid piseach a thoirt air ìre cleachdaidh na Gàidhlig? We believe the areas selected are important for promoting the increased use of Gaelic. Do you have any comments or suggestions you would like to make in relation to promoting the increased use of Gaelic?

5. Ann an ceistean 2, 3 is 4, chaidh iarraidh oirbh ur beachdan a thoirt air na prìomh raointean a chaidh a chomharrachadh. Anns a' cheist seo, bu mhath leinn ur beachdan fhaighinn air na prìomh ghealltanasan a chomharraich sin agus air gealltanasan a bharrachd a bu chòir a bhith ann gus an dèanar adhartas ann a bhith a' leasachadh na th' ann de dhaoine a tha a' labhairt, cleachdadh is ionnsachadh na Gàidhlig ann an Alba agus ann a bhith a' leudachadh nan suidheachaidhean anns am bi i air a cur gu feum?

In questions 2, 3 and 4, you were asked about your views on the priority areas identified. In this question, we would like to hear any views or suggestions you may have on the key commitments we have identified and views on any key commitments you think should be included in order to make progress with the aim of increasing the number of people speaking, using and learning Gaelic in Scotland and the number of situations in which it is used?

6. Tha na ceistean co-chomhairleachaidh a nochd na bu tràithe air a bhith rudeigin mionaideach. Ma tha sibh airson puingean eile a thogail, agus mura robh cothrom agaibh sin a dhèanamh thuige seo, nach sgrìobh sibh iad gu h-ìosal. The earlier consultation questions have been fairly specific. If there are any other points you would like to make and feel you have not had the opportunity to do so, please write them below.
