## Ceistean | Questions

**1. Tha cumadh a' Phlana a' gabhail a-steach amas, cuspairean, prìomh raointean agus gealltanasan. A bheil beachd agaibh air cumadh a' Phlana agus air an àrd-amas againn? The structure for the Plan consists of an aim, priority areas and commitments. Do you have any comments on how we have structured the Plan and the overall aim we have selected?**

The structure of the plan is well thought out and we agree with the overall aim, priority areas and commitments.

**2. Tha sinn dhen beachd gu bheil e riatanach gum bi deagh ìomhaigh aig a' Ghàidhlig agus gum bi na raointean shuas a' cur gu mòr ri sin. A bheil beachdan agaibh fhèin air na raointean a thagh sinn no càil eile co-cheangailte ris a' chuspair seo? We believe that the promotion of a positive image for Gaelic is essential and we think that the areas above are the key areas that can make a contribution to this. Do you have any comments on the areas we have selected or alternative suggestions?**

We believe that the promotion of a positive image of Gaelic is essential and recognise the importance of public authorities implementing their own Gaelic language plans. As part of the development of Gaelic language plans we would like to see more discussion between the Bord and public authorities prior to high level aims being issued for inclusion in any plan. This has not always been the case to date. This would allow for realistic and achievable aims being agreed between both parties rather than high level aims being imposed by the Bord.

**3. Tha sinn dhen beachd gu bheil foghlam agus ionnsachadh na Gàidhlig aig cridhe a' Phlana seo. Tha sinn air liosta a dhèanamh de na prìomh raointean airson leasachadh san àm ri teachd. A bheil beachdan agaibh air seo, agus air na prìomh raointean a thagh sinn airson ionnsachadh na Gàidhlig? We believe education and Gaelic learning are central to this Plan. We have also listed the priority areas that we believe should be a focus for ongoing activity. Do you have any comments on this emphasis and on the priority areas selected for learning Gaelic?**

We also believe that education and Gaelic learning are central to the Plan. The main priority has to be Gaelic workforce recruitment, training and supply. Current training levels are insufficient to meet the increasing demand for Gaelic medium education.

**4. Tha sinn dhen beachd gu bheil na raointean a chaidh a thaghadh cudromach airson cleachdadh na Gàidhlig a bhrosnachadh. A bheil beachdan agaibh air mar a dh'fhaodamaid piseach a thoirt air ìre cleachdaidh na Gàidhlig? We believe the areas selected are important for promoting the increased use of Gaelic. Do you have any comments or suggestions you would like to make in relation to promoting the increased use of Gaelic?**

We agree with the priority areas

**5. Ann an ceistean 2, 3 is 4, chaidh iarraidh oirbh ur beachdan a thoirt air na prìomh raointean a chaidh a chomharrachadh. Anns a' cheist seo, bu mhath leinn ur beachdan fhaighinn air na prìomh ghealltanasan a chomharraich sin agus air gealltanasan a bharrachd a bu chòir a bhith ann gus an dèanar adhartas ann a bhith a' leasachadh na th' ann de dhaoine a tha a' labhairt, cleachdadh is ionnsachadh na Gàidhlig ann an Alba agus ann a bhith a' leudachadh nan suidheachaidhean anns am bi i air a cur gu feum? In questions 2, 3 and 4, you were asked about your views on the priority areas identified. In this question, we would like to hear any views or suggestions you may have on the key commitments we have identified and views on any key commitments you think should be included in order to make progress with the aim of increasing the number of people speaking, using and learning Gaelic in Scotland and the number of situations in which it is used?**

We are happy to see the emphasis on developing the Gaelic Education workforce from Early Years through to Secondary education. This is the main limiting factor to increasing the number of children learning Gaelic and may make it difficult to achieve the aim of 10 GM schools during the life of this Plan.

**6. Tha na ceistean co-chomhairleachaidh a nochd na bu tràithe air a bhith rudeigin mionaideach. Ma tha sibh airson puingean eile a thogail, agus mura robh cothrom agaibh sin a dhèanamh thuige seo, nach sgrìobh sibh iad gu h-ìosal. The earlier consultation questions have been fairly specific. If there are any**
