Ceistean | Questions

1. Tha cumadh a' Phlana a' gabhail a-steach amas, cuspairean, prìomh raointean agus gealltanasan. A bheil beachd agaibh air cumadh a' Phlana agus air an àrd-amas againn? The structure for the Plan consists of an aim, priority areas and commitments. Do you have any comments on how we have structured the Plan and the overall aim we have selected?

The Plan is structured clearly and aims, priority areas and commitments are concise and to the point.

2. Tha sinn dhen bheachd gu bheil e riatanach gum bi deagh ìomhaigh aig a' Ghàidhlig agus gum bi na raointean shuas a' cur gu mòr ri sin. A bheil beachdan agaibh fhèin air na raointean a thagh sinn no càil eile co-cheangailte ris a' chuspair seo? We believe that the promotion of a positive image for Gaelic is essential and we think that the areas above are the key areas that can make a contribution to this. Do you have any comments on the areas we have selected or alternative suggestions?

Promotion of Gaelic is a significant area and I agree with the priority areas. However, Social Media should be specified as a priority where promoting Gaelic is concerned. Also if we are talking promotion and 'selling' the plan it might be useful to highlight some good examples. Some brief narratives or case studies perhaps?

3. Tha sinn dhen bheachd gu bheil foghlam agus ionnsachadh na Gàidhlig aig cridhe a' Phlana seo. Tha sinn air liosta a dhèanamh de na prìomh raointean airson leasachadh san àm ri teachd. A bheil beachdan agaibh air seo, agus air na prìomh raointean a thagh sinn airson ionnsachadh na Gàidhlig? We believe education and Gaelic learning are central to this Plan. We have also listed the priority areas that we believe should be a focus for ongoing activity. Do you have any comments on this emphasis and on the priority areas selected for learning Gaelic?

Again in agreement with priority areas and as plan states learning is critical for the future of the language. A priority area we could have or possibly include within post school and adult learning and/or resources and support for learning is enhancing reading/writing skills for fluent speakers many of whom were not educated through the medium of Gaelic.

4. Tha sinn dhen bheachd gu bheil na raointean a chaidh a thaghadh cudromach airson cleachdadh na Gàidhlig a bhrosnachadh. A bheil beachdan agaibh air mar a dh'fhaodamaid piseach a thoirt air ìre cleachdaidh na Gàidhlig? We believe the areas selected are important for promoting the increased use of Gaelic. Do you have any comments or suggestions you would like to make in relation to promoting the increased use of Gaelic?

Agree with priority areas which are very wide ranging and are all significant pieces of work in themselves. They need to be addressed and updated as regards strategy and development. Again there are plenty of good examples out there that can clearly highlight the benefits of the language that can be used to promote increased use of Gaelic.

5. Ann an ceistean 2, 3 is 4, chaidh iarraidh oirbh ur beachdan a thoirt air na prìomh raointean a chaidh a chomharrachadh. Anns a' cheist seo, bu mhath leinn ur beachdan fhaighinn air na prìomh ghealltanasan a chomharraich sin agus air gealltanasan a bharrachd a bu chòir a bhith ann gus an dèanar adhartas ann a bhith a' leasachadh na th' ann de dhaoine a tha a' labhairt, cleachdadh is ionnsachadh na Gàidhlig ann an Alba agus ann a bhith a' leudachadh nan suidheachaidhean anns am bi i air a cur gu feum? In questions 2, 3 and 4, you were asked about your views on the priority areas identified. In this question, we would like to hear any views or suggestions you may have on the key commitments we have identified and views on any key commitments you think should be included in order to make progress with the aim of increasing the number of people speaking, using and learning Gaelic in Scotland and the number of situations in which it is used?

In agreement with key commitments

6. Tha na ceistean co-chomhairleachaidh a nochd na bu tràithe air a bhith rudeigin mionaideach. Ma tha sibh airson puingeann eile a thogail, agus mura robh cothrom agaibh sin a dhèanamh thuige seo, nach sgrìobh sibh iad gu h-ìosal. The earlier consultation questions have been fairly specific. If there are any other points you would like to make and feel you have not had the opportunity to do so, please write them below.

Respondent skipped this question.
