3.0 Main Points					
3.1	At this point, with 9 months' figures to hand and an unprecedented situation, costs continue to fall behind budget.				
3.2	In Development, costs are behind budget by 21% (2019 -12%). Covid has had some impact, but it is common for organisations to be slightly behind in earlier part of the year. It is anticipated that this budget will be fully utilised before the financial year end.				
3.3	On Running Costs, they are behind budget by 10% compared to 7% at the same time last year. The majority of savings are in salaries and travel, which has dropped significantly. Any underspend will be vired to Development Costs.				

3.4	Costs arising from Covid-19 to the organisation: c£7k has been spent on items such as equipment, ICT related to the team working from home.

1.0	Purpose												
1.1	Seeking approval from the Committee for the draft budget for the year ended 31 March 2022, with the following four years to 2025-26 in outline.												
2.0	Background												
2.1	The paper’s purpose is to present this information to the members for revising the budget for 2021-22 and onwards to 2025-26. The paper is in English as the report will be in English. Scottish Government awarded grant in aid of £5.179m to BnG in 2020-21, divided into three budgets: <table><tr><td></td><td>£m</td></tr><tr><td>Gaelic Development Fund</td><td>£2.405</td></tr><tr><td>Gaelic Language Act Implementation Fund (GLAIF)</td><td>£1.140</td></tr><tr><td>Running Costs</td><td><u>£1.634</u></td></tr><tr><td>TOTAL</td><td><u>£5.179</u></td></tr></table> The national budget will be announced on 28/01/2021 and this may have implications for BnG’s budget. The Scottish Government pay policy will also follow this budget, and may again have implications for BnG. The paper is prepared on the basis that the Grant-in-Aid for the years to come will be at the same level as this year. It is also anticipated that £100k will be received via Comann nam Pàrant, taking the total to £5.279m.				£m	Gaelic Development Fund	£2.405	Gaelic Language Act Implementation Fund (GLAIF)	£1.140	Running Costs	<u>£1.634</u>	TOTAL	<u>£5.179</u>

3.1	A summary of the Grant In Aid allocation, along with proposed Development and Running budgets is detailed below:

Normally, budget cannot be transferred from Development Costs to Running Costs but can with permission, be allocated from Running to Development Costs.

With running costs restricted to £1.634, it can be seen that there is pressure to stay within the Running Costs budget.

1.0	Adhbhar		
1.1	Airson fiosrachadh a thoirt seachad do Bhuill na Comataidh air adhartas nam buidhnean com-pàirteach lìbhrigidh ann a bhith a’ coileanadh nan aontaidhean taic-airgid aca sa bhliadhna-ionmhais seo.		
2.0	Cùl-fhiosrachadh		
2.1	'S e a’ bhliadhna-ionmhais seo (2020/21) an dàrna bliadhna de na h-aontaidhean taic-airgid fad trì-bhliadhna a chaidh aontachadh leis na Buidhnean Com-pàirteach Lìbhrigidh a tha a’ cur an gnìomh obair ro-innleachdail dhan a’ Ghàidhlig.		
2.2	Tha am pàipear seo mar fiosrachaidh gu Buill na Comataidh air adhartas nam buidhnean, is thig molaidhean airson taic-airgid nam buidhnean airson bliadhna-ionmhais 2021/22, a-rèir na chaidh aontachadh ann am prionnsapal a-cheana, a chur air beulaibh a’ Bhòrd-stiùiridh aig coinneamh sa Ghearran 2022.		
3.0	Prìomh Aithris/Fiosrachadh		
3.1	Tha bliadhna gu math dùbhlach air a bhith ann do na Buidhnean Com-pàirteach Lìbhrigidh ann an 2020/21 air sgath sgaoileadh a’ choròna-bhìorais agus na diofar chuingleachaidhean a th’ air a bhith ann air sgàth sin.		
3.2	Airson cuid de na buidhnean chan eil e air a bhith comasach dhaibh an obair àbhaisteach aca a choileanadh mar a bhathar an dùil, ach tha gach buidheann air a bhith ag obair a dh’ionnsaigh amasan nan aontaidhean aca a choileanadh ann an dòigh cho freagarrach ’s a ghabhas.		
3.3	Chaidh aontachadh gus sùbailteachd a thoirt do na buidhnean com-pàirteach a thaobh nam puingean-coileanaidh aca airson 2020/21 fhad ’s a bha iad a’ cumail fios ri oifigearan a’ Bhùird air atharrachaidhean sam bith is gum biodh iad ag obair a dh’ionnsaigh àrd-amasan nan aontaidhean aca is gnìomhan Plana Corporra a’ Bhùird.		
3.4	San fharsaingeachd tha na buidhnean air an t-uabhas a choileanadh am bliadhna airson cur air adhart cleachdadh, ionnsachadh is ìomhaigh na Gàidhlig ann an suidheachadh a th’ air a bhith gu math duilich, is iad air dòighean-obrach ùra agus ùr-ghnàthach a lorg gus an luchd-ùidhe aca a ruighinn.		

3.5	Tha deagh chonaltradh air a bhith ann eadar na buidhnean san fharsaingeachd agus luchd-obrach a' Bhùird, is còmhraidhean cunbhalach air a bhith gan cumail eadar ceannardan na buidhne is ceannard/stiùirichean Bòrd na Gàidhlig gus tuigse nas fheàrr fhaighinn air cuspairean leithid a' choròna-bhìorais agus cuideachd mar as urrainnear dòighean-obrach atharrachadh gus cur an gnìomh molaidhean bhon rannsachadh "Gaelic Crisis in the Vernacular Community" aig Soillse.
3.5	Ged a tha seo air a bhith ann, tha duilgheadasan air a bhith ann le cuid de bhuidhnean ann a bhith a' cur nan aithisgean adhartais aca a-steach gu oifigearan a' Bhùird ann an ùine a-rèir clàr-ama an aonta aca. Tha pròiseas foirmeil aontaichte mar phàirt de phròiseasan aig oifigearan airson dèiligeadh ri sgeamaichean taic-airgid, agus thathas ga leantainn an seo – le fios neo-fhoirmeil air a thoirt seachad sa chiad dol-a-mach is an uair sin litir ga chur thuca ma tha aithisg eile air dheireadh.
3.6	Tha adhartas air a bhith ann leis na buidhnean gus fiosrachadh a thional a thaobh slatan-tomhais ann am Plana Corporra a' Bhùird, is fiosrachadh nas mionaidiche is nas soilleire air a bhith a' tighinn a-steach bhon a' mhòr chuid aca sna mìosan seo chaidh. Tha obair fhathast ri dhèanamh an seo ged-tà gus a bheil buidhnean a' neartachadh nan dòighean-obrach aca a thaobh am fiosrachadh seo a thional, ach cuideachd aig a' Bhòrd gus a bheil na slatan-tomhais cho freagarrach 's a ghabhas airson adhartas a dh'ionnsaigh prìomh amasan na buidhne is a' Phlana Chorporra a thomhais.
3.7	Fhuair cuid de na buidhnean taic tro Maoin Taic COVID-19 a' Bhùird, gu sònraichte airson na buidhnean aca a leasachadh no pròiseactan a chur air dòigh tro cuingalachaidhean a' choròna-bhìoras.
3.8	Chaidh am Maoin Co-obrachaidh a ruith cuideachd, ach cha d' fhuaras ach 4 iarrtasan (sìos bho 8 an turas mu dheireadh), ach a rèir conaltradh leis na buidhnean nach do chuir iarrtasan a-steach 's e an t-adhbhar airson seo mi-chinnt a thaobh suidheachadh a' choròna-bhìorais a' ciallachadh nach eil e cho furasta pròiseactan a phlanadh aig an ìre seo.
3.10	Chaidh iarraidh air gach buidheann lèirmheas a dhèanamh air na puingeann-coileanadh aca airson 2021/22 gus a bheil iad a' freagairt nas dlùithe air dè ghabhas a choileanadh leis a' bhuidheann fo bhuaidh cuingalachaidhean ri linn a' choròna-bhìorais, ach cuideachd gum bi iad a' sealltainn adhartas thairis air a' bhliadhna, gus luach an airgid nas fheàrr a thoirt seachad. Bidh toraidhean an lèirmheas seo mar phàirt de mholaidhean aig oifigearan a' Bhùird airson taic-airgid 2021/22 dha na buidhnean, is sin tighinn fa chomhair a' Bhòrd-stiùiridh sa Ghearran.

A’ COILEANAIDH A’ PHLANA GNÌOMH 2020-21

Ar Lèirsinn: Gum bi a’ Ghàidhlig air a faicinn is air a cluinntinn gu làitheil air feadh Alba, chun na h-ìre ’s gum bi i air a h-aithneachadh mar phàirt bhunaiteach de bheatha muinntir na h-Alba agus mar chànan prìseil a tha a’ cur ri cultar is eaconamaidh na dùthcha.	Our Vision: Gaelic is seen and heard on a daily basis across Scotland, such that it is widely recognised as an integral part of Scottish life and a national and economic asset

Prìomhachasan Ro-innleachdail Barrachd dhaoine a’ cleachdadh agus a’ faighinn buannachd bho Ghàidhlig san àite-obrach, aig an dachaigh agus anns a’ choimhearsnachd	Strategic Priority 1 More people are using and benefiting from Gaelic at work, at home and in the community
▪ Ciamar a tha an t-adhartas a’ cuideachadh le bhith a’ libhrigeadh na lèirsinn?	Tha am Plana Corporra 2018-23 aig Bòrd na Gàidhlig gu mòr stèidhichte air a’ Phlana Cànan Nàiseanta Gàidhlig 2018-23 agus tha e a’ toirt stiùir dhuinn air mar a bhios an obair againn a’ dèanamh diofar gus am bi a’ Ghàidhlig air a faicinn is air a cluinntinn gu làitheil air feadh Alba, chun na h-ìre ’s gum bi i air a h-aithneachadh mar phàirt bhunaiteach de bheatha muinntir na h-Alba agus mar chànan prìseil a tha a’ cur ri cultar is eaconamaidh na dùthcha. Tha Bòrd na Gàidhlig a’ cuideachadh barrachd dhaoine le bhith a’ cleachdadh agus a’ faighinn buannachd bho Ghàidhlig san àite-obrach, aig an dachaigh agus anns a’ choimhearsnachd.
▪ A bheil adhartas mu choinneamh na lèirsinn mar a bhiodh dùil?	Chan eil adhartas mu choinneamh na lèirsinn mar a bha sinn an dùil air sgath ‘s COVID-19 agus am buaidh a thug sin air diofar bhuidhnean agus pròiseactan air feadh na dùthcha. Le prògram banachdach a-nis fo sheòl tha e nas coltaiche gu bheil slighe air adhart ann ach cha bhi cùisean idir air ais dhan àbhaisteachd ro dheireadh a’ Mhàirt agus le cinnt airson greis as dèidh sin. Le sgoilearan a-rithist gu bhith ag ionnsachadh aig an taigh bho 18.01.21 air adhart, tha e deatamach gum bi buidhnean leasachaidh na Gàidhlig ag obair còmhla mar eisimpleir tron iomairt #cleachdaigantaigh gus taic a chumail ri cleachdadh na Gàidhlig a-measg daoine òga. Tha draghan mòra ann mu dheidhinn suidheachadh na h-eaconamaidh air feadh na dùthcha agus gu sònraichte ann an cuid de na roinnean, leithid cultar agus turasachd, far a bheil dlùth cheangal ri cleachdadh na Gàidhlig.

Thòisich a’ phròiseact mar a bhathas an dùil ach thàinig cùisean gu stad airson greis ri linn COVID-19. Tha am pròiseact a’ dol air adhart a-rithist leis an dùil gum bi toraidhean ann sa Chèitean 2021. Tha e soilleir aig an ìre seo cha bhi coinneamhan rannsachaidh aghaidh-ri-aghaidh a’ dol air adhart idir mar a bhathas an dùil sa chiad dol a-mach. 		Cuideachd, tha Bòrd na Gàidhlig ag obair le 68 ùghdarrasan poblach aig a bheil planaichean Gàidhlig reachdail aontaichte no a tha ag obair a dh’ionnsaigh fear a chruthachadh. Tha na buidhnean seo ag obair ann an coimhearsnachdan air feadh Alba.			
Prìomh Chomharra Coileanaidh 2: Bidh barrachd dhaoine ag aontachadh leis an abairt “Tha a’ Ghàidhlig a’ dèanamh diofar nam bheatha”	Comharrachadh àireamh bhun-loidhne de dhaoine a tha ag aithris gu bheil buaidhean deimhinneach ann mar thoradh air cleachdadh na Gàidhlig	Tha an obair seo stèidhichte air an fhiosrachadh a bhios anns na h-aithisgean adhartais agus deireannach a chuireas buidhnean gu Bòrd na Gàidhlig. 	Fianais gu bheil barrachd cothroman do dh’òigridh a bhith ag inntrigeadh margaidh na h-obrach, far a bheil iad a’ cur an cuid sgilean Gàidhlig gu feum	Tha còmhraidhean a’ dol air adhart le Sgilean Leasachaidh na h-Alba, lomairt na Gàidhealtachd ‘s nan Eilean agus Comhairle nan Eilean Siar gus fàs a thoirt air cothroman preantasachd a dhèanamh tro mheadhan na Gàidhlig no far am bi cothrom aig daoine òga na sgilean Gàidhlig aca a chur gu feum anns an àite-obrach. Cothroman Ùra
Dè na gnìomhan eile a dh’fhaodadh cuideachadh le adhartas leis an lèirsinn?

Tha na h-àireamhan dhaoine a tha ag ionnsachadh na Gàidhlig air loidhne fhathast gu math fallain gu sònraichte tro Duolingo (488k) agus tro LearnGaelic.scot. Tha e cudromach gu bheil sinn a’ gabhail an cothrom seo a) gus fàs a thoirt air àireamhan luchd-cleachdaidh na Gàidhlig anns na bliadhnaichean ri teachd b) gus taic airson na Gàidhlig ann an Alba a leudachadh agus c) gus am bi am margaid airson seirbheisean Gàidhlig nas motha.

Tha barrachd dhaoine ag obair bhon taigh a-nis agus bidh an t-suidheachadh seo a’ leantainn air adhart airson na mìosan ri thighinn. Tha cothroman ann le seo a) nach bi daoine le sgilean Gàidhlig a ghluasad air falbh bho choimhearsnachdan Ghàidhlig agus b) bidh cothrom aig daoine le sgilean Gàidhlig gluasad gu coimhearsnachdan Ghàidhlig.

Le barrachd dhaoine nas sgileil a thaobh a bhith coinneachadh ri daoine eile air loidhne mar eisimpleir tro Zoom mar a bha iad, tha cothrom ann gum bi comasan aig barrachd dhaoine pàirt a ghabhail ann an tachartasan Gàidhlig air loidhne thairis air na mìosan ri thighinn.

Tha sgioba BnG air a bhith ag obair air siostam ùr a chur air dòigh airson bathar a sgaoileadh agus tha sinn an dùil taic fhaighinn bho taobh a-muigh na buidhne gus a’ mhòr-chuid den obair rianachd a ghabhail os làimh, ged a bhios an sgeama fhèin fhathast fo stiùir BnG. Tha sinn den bheachd gur e seo an t-àm as freagarraiche gus seo a dhèanamh leis an àireamh den dhaoine a th’ air tòiseachadh Gàidhlig a dh’ ionnsachadh agus na sgilean ùr a th’ aig daoine a bhith cleachdadh goireasan air loidhne, leithid Zoom is Teams. Chaidh seo a thogail a-measg com-pàirteachasan a tha an sàs le LearnGaelic.scot agus chuir iad fàilte air a’ bheachd seo. Prìomh Chomharra Coileanaidh 10: Lùghdaichidh sinn na h-eimiseanan carbain againn gach bliadhna, a’ ruigsinn meidh-neoni (net zero) de dh’eimiseanan cho luath ‘s a ghabhas agus ro 2045.	Bun-loidhne de dh’eimiseanan carbain is targaidean lùghdachaidh air bhonn agus gan ruigsinn	Tha an sgioba rianachd ag obair air seo an-dràsta agus seo am fiosrachadh as ùire a th’ againn. ScotRail - 216 bookings, 57,553 mìltean sa bhliadhna agus le eimiseanan CO2 de 3414.09 kg. Loganair - chan urrainn dhaibh an fhiosrachadh sin a thoirt dhuinn aig an àm seo Leis gu bheil Taigh a’ Ghlinne Mhòir dùinte an-dràsta, chan eil e comasach aig an ìre seo fiosrachadh fhaighinn mu dheidhinn siubhal le càraichean. 	An dòigh-obrach againn mar bhuidheann air atharrachadh gus tighinn gu meidh-neoni ann an eimiseanan cho luath ‘s a ghabhas	O thoiseach na bliadhna 20/21, chan eil neach sam bith sa bhuidhinn air a bhith a’ siubhail. Ged nach thaghadh sinn seo, leis gu bheil na dòighean eile airson coinneamhan a chumail ag obair gu math, bidh sinn gan cumail fiu ‘s nuair a bhios e ceadaichte dhuinn a bhith a’ siubhal. Cothroman Ùra Dè na gnìomhan eile a dh’fhaodadh cuideachadh le adhartas leis an lèirsinn
Tha speac a-mach gu tairgse an-dràsta gus eòlaichean stiùireadh atharrachaidh a thrusadh agus thathar an dùil gum bi iadsan ag obair leis a’ bhuidhinn ro dheireadh na bliadhna. Bheir seo taic mhòr a thaobh leasachadh na buidhne, an dà chuid tro eòlas sònraichte agus barrachd capacity gus cùisean a ghluasad air adhart. Chùm LPM coinneamhan le riochdairean coimhearsnachd far an robh BnG an làthair is bha iomradh an sin air an obair a tha a’ bhuidheann a’ dèanamh. Cuideachd, bha BnG mar phàirt den Summit a chaidh a chumail le LPM san Dùbhlachd agus bha cothrom ann gus bruidhinn air obair BnG. Bidh coinneamh eile ann 01/02/2021.

Bidh aithisgean adhartais gu tric a’ dèanamh feum de shiostam le ‘solais trafaig’ gus sealltainn dè an t-adhartas a thathar a’ dèanamh le pròiseactan. Ge-tà, tha cho èifeachdach ’s a tha an goireas measaidh seo gu tur an urra ris cho dìcheallach ’s a tha am manaidsear le uallach air a shon agus cho fìor ’s a tha an ìre-adhartais a chaidh a chomharrachadh airson a’ phròiseict. MIDLOTHIAN COUNCIL GAELIC LANGUAGE PLAN 2021– 2026

Plana na Gàidhlig

This plan has been prepared under Section 3 of the Gaelic Language (Scotland) Act 2005 and was approved by Bòrd na Gàidhlig on XXXXX

FOREWORD

A Foreword from the Chief Executive

This is Midlothian Council's first Gaelic Language Plan, and sets out our ambitions for Gaelic over the next five years, to 2026.

Our aim is to contribute to the Scottish Government's vision of safeguarding the future sustainability of the Gaelic language by enhancing the profile of the language and providing more opportunities for our communities to communicate in Gaelic. The plan will also support implementation of the Scottish Government's National Outcome 'We take pride in a strong, fair and inclusive national identity'.

Midlothian Council commits to an equal respect between Gaelic and English. We see this first iteration of our Gaelic Language Plan as a starting point for developing and improving our current Gaelic provision. Our commitments within the Plan set out what we will do to raise the status of Gaelic in a proportionate way. We will however encourage our services to exceed these commitments. This underlines Midlothian Council's commitment to the aspirations and objectives included in the National Gaelic Language Plan and the Gaelic Language (Scotland) Act 2005.

Summary

Midlothian Council recognises that Gaelic is an integral part of Scotland's heritage, national identity and cultural life. Midlothian Council is committed to the objectives set out in the *National Gaelic Language Plan* and has put in place the necessary structures and initiatives to ensure that Gaelic has a sustainable future in Scotland.

Midlothian Council recognises that the position of Gaelic is extremely fragile and if Gaelic is to be revitalised as a living language in Scotland, a concerted effort on the part of government, the public and private sectors, community organisations and individual speakers is required to:

- enhance the status of Gaelic;
- promote the acquisition and learning of Gaelic;
- encourage the increased use of Gaelic

This document is Midlothian Council's Gaelic Language Plan prepared within the framework of the Gaelic Language (Scotland) Act 2005. It sets out how we will use Gaelic in the operation of our functions, how we will enable the use of Gaelic when communicating with the public and key partners, and how we will promote and develop Gaelic.

This Gaelic Language Plan has been prepared in accordance with statutory criteria set out in the 2005 Act, and having regard to the *National Gaelic Language Plan* and the *Guidance on the Development of Gaelic Language Plans*.

The key components of our Gaelic Language Plan are:

Chapter 1 – Introduction

This chapter provides the background and context relating to the preparation of Gaelic Language Plans under the 2005 Act and the structure of Midlothian Council's main areas of operation. It also provides a summary of the use of the Gaelic language in Midlothian. It shows how we intend promoting the use of Gaelic in service planning and delivery and how we will take account of Gaelic and our Gaelic Language Plan when drafting new policies and considering new strategies.

Chapter 2 – Commitments

This chapter sets out how Midlothian Council will use, and enable the use of Gaelic in relation to our main business functions. It covers key areas of operation such as corporate identity, signage, communication with the public and the use of Gaelic on our website. This chapter sets out the level of Gaelic language provision to which we are committed to providing during the lifetime of the Plan.

Chapter 3 – Implementation and Monitoring

This chapter sets out how the implementation of our Gaelic Language Plan will be taken forward, and how implementation and outcomes will be monitored.

1. INTRODUCTION

1.1 The Gaelic Language Plan

The Gaelic Language (Scotland) Act 2005 (The Act) seeks to secure the status of the Gaelic language as an official language of Scotland commanding equal respect to the English language.

The Act builds on and sits beside other measures to support the rights of minority languages, including: the UN Declaration on the Rights of Persons Belonging to National or Ethnic, Religious and Linguistic Minorities (1992); and, the Council of Europe's European Charter for Regional or Minority Languages (1992).

The Act established Bòrd na Gàidhlig as an executive non-departmental public body, responsible through Ministers to the Scottish Parliament with responsibility for promoting Gaelic development and providing advice to the Scottish Ministers on Gaelic issues. The Act requires Bòrd na Gàidhlig to prepare a National Gaelic Language Plan and gives it the power to request that public authorities, including local authorities, prepare and publish Gaelic Language Plans. This provision was designed to ensure that the public sector in Scotland plays its part in creating a sustainable future for Gaelic by raising its status and profile and creating practical opportunities for its use.

Bòrd na Gàidhlig provides public authorities with official notification of when they must prepare their Plan and details of the high level aims which should be met by the Plan. Midlothian Council received official notification from Bòrd na Gàidhlig in July 2018 that it has to prepare a statutory Gaelic Language Plan under the framework of the Act. The notification set out the corporate service aims and seven high level aims the Plan should meet under three headings in line with the National Gaelic Language Plan 2018 – 2023 aims.

Using Gaelic – support existing and new Gaelic language and culture groups in Midlothian to help grow the profile and use of Gaelic.

Promoting Gaelic – undertake the duty outlined in the Education (Scotland) Act 2016 to promote, in such manner as it thinks appropriate, the potential provision for Gaelic medium and Gaelic learner education to Midlothian residents, including the opportunity that exists under this Act for parents to request the establishment of Gaelic medium education.

Once approved by Bòrd na Gàidhlig, promote the plan and its key commitments to residents of the council area.

Include aspects of Gaelic language and culture to pupils' education by Midlothian Council, with the aim of attracting more young people to learn and use Gaelic.

Learning Gaelic – Establishing a dialogue with the Gaelic Learning in the Primary School (GPS) consortium, with a view to establishing Gaelic learner education within the council area during the lifetime of the plan.

Support families and groups of families within the Council area to access opportunities for Gaelic early years and/ or primary school provision.

Support and encourage Gaelic learning opportunities for adults in Midlothian Council area, including an active and on-going dialogue with Newbattle Abbey College.

The Act requires public bodies to bring the preparation of their Gaelic Language Plan to the attention of interested parties. Midlothian Council has consulted publicly on the draft of its Gaelic Language Plan and has taken into account representations made during the consultation process.

Midlothian Council commits to demonstrating equal respect to Gaelic and English and commits to making an active offer of its Gaelic services.

Midlothian Council's Gaelic Plan will also be submitted to Bòrd na Gàidhlig for approval.

1.2 Midlothian Council

Midlothian is a historic county and although one of the smallest council areas in Scotland, it is one of the fastest growing areas in Scotland. Midlothian lies in the east-central lowlands bordering the City of Edinburgh, East Lothian and the Scottish Borders. The county extends to 353.7km², and contains the towns of Dalkeith, Bonnyrigg and Penicuik as well as a portion of the Pentland Hills Regional Park, Rosslyn Chapel and Dalkeith Palace.

Midlothian has a population of around 90,090 (2017).

Midlothian Council is committed to working together with its partners and the people and communities of Midlothian to achieve the vision Midlothian – A Great Place to Grow.

Midlothian Council is responsible for a number of public services including education, adult social work, children's services, community housing, environmental health, leisure, planning, building control, waste management, roads maintenance, civil registrations, burial grounds, licensing services and economic development.

Midlothian Council and its Community Planning Partners have made a commitment to treat the following areas as key priorities under the Single Midlothian Plan:

- Reducing inequalities in learning outcomes
- Reducing inequalities in health outcomes
- Reducing inequalities in economic circumstance

Midlothian Council employs around 3,707 Full Time Equivalent (FTE) employees (c.3,192 permanent, 514 fixed term and 1 casual). Over 1,068 fte (28.82% of the total) are employed in the education service as permanent/fixed term teachers.

Midlothian Council operates from three main offices: Midlothian House, Fairfield House and Buccleuch House all located in Dalkeith. The Council has over 100 operational properties which include: an Arts Centre, Care & Children's Homes, Community and Community Education Centres, High Schools and Primary Schools with Nursery Provision, Hostels, Hubs, Leisure Centres with and without pools, Libraries, and Social Work Centres.

1.3 Gaelic in Midlothian

Within Midlothian there are a number of people who understand, speak, read and write Gaelic. The 2011 census records the following:

Gaelic in an education setting

Midlothian Council recognises and values the importance of Gaelic language as part of strategic planning and development of language learning and of the rights of our young people to access education in Scotland's indigenous languages.

In terms of education, Gaelic is defined by two distinct approaches to development; Gaelic Medium Education (GME) and Gaelic Learners Education (GLE).

GME provision – the current national definition

“Gaelic Medium Education” is high-quality learning through immersion. Alternative models lead to the dilution of standards and as such are non-compatible with the development of strong and sustained GME.” Education Scotland Lead Inspector for GME, Joan Esson, June 2015

Nationally, GME is defined by Education Scotland as follows: GME is based on the principle of language immersion. GME provision should encompass the four contexts of the curriculum

within CfE:

- the ethos and life of the school as a community
- curriculum areas and subjects
- interdisciplinary learning
- opportunities for personal achievement

Education Scotland strongly advises that GME is not merely language learning, it is also the delivery of subjects through the medium of Gàidhlig and Gàidhlig at the heart of the life, culture and ethos of the school.

The Education Scotland Act (2016) and Statutory Guidance on Gaelic Education include three key proposals regarding GME:

1. Authorities have a duty to promote and support GME . One of the Plan's action points is to develop a section of the Council's website with information promoting GME. There are also various other actions which support and promote GME.
2. Establishment of a statutory process for authorities to assess parental requests for GME
3. Development of statutory guidance arrangements for the delivery of Gaelic education in schools and by authorities

Gaelic Medium Education (GME) in Midlothian Council

GME is currently provided by Midlothian Council through a partnership arrangement with City of Edinburgh Council. Partnership arrangements support developing capacity and effective resourcing across the region and high-quality Gaelic Medium learning for children and young people. This provision will be planned and assessed by Midlothian Council and local partners with local demand being assessed and monitored as part of ongoing future planning. Demand will be assessed by tracking requests and in partnership with local providers in Edinburgh. There is ongoing discussion around this with City of Edinburgh Council partners. This provision is supported by Midlothian Council and available on application by parents. Support and communications for parents wishing their children to access Gaelic Medium Education has been identified as an aim of the Midlothian Gaelic Language Plan and is included in the actions listed below.

An overview of numbers of MLC learners attended GME provision in session 2018/19 is provided below:

Primary: 10

Secondary: 2

These numbers will be tracked as part of ongoing development of GME and in line with the Gaelic Language Plan high level aims.

Parents also have access to Gaelic Medium Playgroups in City of Edinburgh through partner providers and at a range of locations across the city. More information is available via Cròileagan Dhùn Èideann's website here <http://www.gaelicplaygroup.com/>

Midlothian Council lead officers support the ongoing development of effective partnership working across the South-East region and lead support for schools in developing Gaelic learning

Gaelic Learners Education (GLE)

Gaelic Learners Education (GLE) refers to Gaelic learning as an additional language in an English Medium Education (EME) context.

According to the Education Scotland advice and guidance on GLE: “In English medium education, Gaelic language learning is part of children’s and young people’s entitlement to learning a language. Gaelic Learner Education is an overarching term which spans across 3-18 provision.” ([Gaelic Education 3-18 in Language Learning in Scotland: A 1+2 Approach](#))

Gaelic Learner Education (GLE) provides young people with progressive opportunities to learn Gaelic language and experience Gaelic culture as part of the wider offer of languages across Midlothian Council schools. GLE is an area which is currently undeveloped in Midlothian schools, but is planned through the Gaelic Language Planning process. This area is being developed in collaboration with key local and national partners including Bòrd na Gàidhlig, regional local authorities, higher and further education establishments, schools and parents.

An East and Midlothian Gaelic Education Steering group has been convened to support the strategic development of Gaelic language in schools and includes key local authority officers, primary and secondary teachers, parents and local partners. Key local partners include Newbattle Abbey College, which offers professional development and engagement opportunities for schools, parents and learners. Teachers who have experience or an interest in Gaelic learning have been identified through email requests and local training opportunities are being developed and offered.

Other partners and areas of interest with links to Gaelic language are being identified including local place name mapping work and identification of local tourist attractions with a link to Gaelic language.

Midlothian Council is working with other local schools where GLE is currently being delivered (James Gillespie’s High School, City of Edinburgh) and offering opportunities through digital solutions to open up Gaelic learning to learners across the region.

Gaelic in a non-education setting

Library services provide Bookbug bags in Gaelic at each of the following stages:

- Baby (gifted by the health visitor at around 6 weeks)
- Toddler (gifted by the health visitor at around 18 months)
- Explorer (gifted by nurseries at 3)
- Family Bag (gifted through schools in P1)

A small stock of Gaelic language books are available including a very limited number of items available in children’s collections mostly held at Library HQ. Requests for Gaelic items are infrequent; however this may be due to a lack of awareness and so has been identified as an area for development in the Gaelic Language Plan.

In terms of community learning, there are no current classes for adults though the Midlothian Community Learning programmes, however courses and events are currently offered by Newbattle Abbey College. Community Learning & Development in considering the plan will look to identify opportunities to offer Gaelic language in their learning programmes.

Gaelic within Midlothian Council

The council currently has no data on the number of Gaelic speakers or Gaelic learners

amongst its staff. However, it is considering when and how this information can be gathered.

1.4 Implementing the National Gaelic Language Plan

The National Gaelic Language Plan focuses on three key aims, all of which have a vital contribution to make in increasing the numbers of people learning, speaking and using Gaelic in Scotland, and identifies key development outcomes within each:

Development Area	Key Outcomes
Using Gaelic	An increase in the use of Gaelic will be promoted and supported. This will be done in collaboration with key partners and providers and through Bòrd na Gàidhlig initiatives and programmes. This includes speakers and learners increasing their use of the language. It involves developing more situations where Gaelic can be used. It involves using Gaelic in situations where it has not been used previously and the increased use of Gaelic in daily life. The increased use of Gaelic strengthens the community of speakers and contributes to its confidence. This expands opportunities for Gaelic and Gaelic users, thus increasing awareness and the profile of the language.
Learning Gaelic	An increase in the learning of Gaelic will be promoted and supported. This will be done in collaboration with key partners and providers and through Bòrd na Gàidhlig initiatives and programmes. This includes promoting, supporting and expanding Gaelic learning at all levels and in all sectors. The benefits from this are clear: as progress is made with this, it will increase the number of those who understand, speak, read and write Gaelic and their ability to use Gaelic with confidence. A positive image of Gaelic will be promoted. This will be done in collaboration with key partners and providers and through Bòrd na Gàidhlig initiatives and programmes.
Promoting Gaelic	Ensuring that a positive image of Gaelic is promoted and strengthened depends on a number of initiatives. It also includes ensuring that Gaelic is valued and that its important contribution to the social, cultural and economic life of the nation is recognised. The promotion of a positive image of Gaelic is critical to strengthening the appeal and status of Gaelic in Scotland and abroad. This depends on users and non-users alike.

Commitment to the Objectives of the National Gaelic Language Plan

Midlothian Council is committed to ensuring that the National Gaelic Language Plan is implemented, and in this section, we set out how we will achieve that aim.

Midlothian Council recognises that the various priority areas identified in the National Gaelic Language Plan will be primarily implemented through our Gaelic Language Plan but that opportunities will arise to promote and develop the language through existing policy measures. Midlothian Council will examine policy commitments to identify areas where Gaelic can be pro-

actively incorporated and the priorities of the National Gaelic Language Plan initiated through additional methods. We see this development as corresponding to the normalisation principle which aims to include Gaelic as an everyday part of life in Scotland.

Midlothian Council supports the aim of the National Gaelic Language Plan 2018-23 that “Gaelic is used more often, by more people and in a wider range of situations.”

We are committed to the achieving this aim by focussing our work, on these three headings:-

- Increasing the use of Gaelic within our organisation and encouraging more people to use Gaelic, more often when they interact with us
- Increasing the opportunity for people to learn Gaelic as part of our day-to-day operations
- Promoting a positive image of Gaelic whenever we can as part of our day-to-day operations as an organisation

2. COMMITMENTS

In its statutory Guidance on the Development of Gaelic Language Plans, Bòrd na Gàidhlig notes that creating the right environment for the use of Gaelic in public life is one of the key components of language regeneration. The Bòrd has identified four core areas of service delivery that it wishes public bodies to address when preparing Gaelic Language Plans:

- **Identity and Status** including, corporate identity and signage and expanding visibility, audibility, recognition and respect for Gaelic
- **Communications** including reception, telephone, mail and e-mail, forms and complaints procedures
- **Publications** including public relations and media, printed material and websites
- **Staffing** including recruitment and training.

This Plan also identifies the actions Midlothian Council will take to meet its commitment to the objectives of the National Gaelic Language Plan for Gaelic in relation to:

- **Gaelic Language Acquisition and Usage:** enabling people to develop speaking, reading and writing skills in Gaelic and enabling the use of Gaelic in a range of social, formal and work settings. The Council will adhere to the most recent Gaelic Orthographic conventions and place-names advised by The Gaelic Place-names Scotland.

Midlothian Council recognises that action in each of these areas can help raise the visibility and profile of Gaelic and bring greater opportunity for Gaelic speakers to use the language,

The Council will include Gaelic in future surveys and research where appropriate.

Third parties working on behalf of the Council will be encouraged to adhere to the spirit and any relevant commitments of the Gaelic Language Plan.

Recognising the Council's role as a Corporate Parent, the Council will ensure that it will meet the needs of children and young people in care with Gaelic language skills and will ensure that they receive equal opportunities in learning Gaelic.

The lack of demand could be connected to lack of promotion, as identified above under library services. The current economic situation means that additional resources to deliver major initiatives is limited, however, a lot can be done for Gaelic when services are included on a renewal / replacement basis, including through recruitment processes and the identification of Gaelic skills as an essential or desirable skill.

2.1 Identity and Status

The presence of Gaelic in the corporate identity and signs of a public authority greatly enhances the visibility of the language, increases its status and makes an important statement about how Gaelic is valued and how it is given recognition. Developing the use of Gaelic through signage can also enrich the vocabulary of Gaelic users, raise public awareness of the language and contribute to its development. Midlothian Council recognises the importance of raising the visibility of Gaelic, increasing its status and creating a positive image of the language.

2.2 Communications

The use of Gaelic in interactions with the authority by mail, e-mail and by telephone is important in creating practical opportunities for the use of the language, and in contributing to the sense that its use is possible and welcome. The presence of Gaelic in a wide range of bilingual forms and Gaelic only forms can also greatly enhance the visibility and prestige of the language. The preparation of Gaelic versions of forms, applications and similar documents, can also assist in expanding the range of Gaelic terminology and the awareness of the Gaelic-speaking public of such terminology, thus helping the development of the language itself.

Midlothian Council recognises the importance of creating opportunities for the practical use of Gaelic in communications with its citizens and will

increase its level of provision on an incremental basis.

2.3 Publications

The use of Gaelic in a range of printed material can assist Gaelic development in a variety of ways. It helps increase the visibility of the language, it enhances Gaelic's status by being used in high profile publications, and it can help develop new and enhance existing terminology. The use of Gaelic in the media helps demonstrate a public authority's commitment to making important information available through the medium of Gaelic, as well as enhancing the visibility and status of the language. As more people access information about public authorities through their websites, making provision for the use of Gaelic can significantly enhance the status and visibility of the language.

Midlothian Council is committed to increasing the use of Gaelic in areas where the subject matter is of most interest to the general public or relates specifically to Gaelic issues.

2.4 Staffing

In order to deliver services through the medium of Gaelic, it is necessary to develop the requisite job skills and language skills of staff. The provision of language learning for staff helps promote adult Gaelic learning and promotes Gaelic as a useful skill in the workplace. The identification of jobs in which Gaelic is a designated skill will contribute greatly to the status of the language and to identifying it as a positive skill to acquire.

The use of Gaelic in advertising also helps recognise that Gaelic should be used in public life and that Gaelic users have an important role to play within a public authority. Whatever the level of Gaelic skills required it is important that authorities ensure that Gaelic is a genuine occupational requirement.

Midlothian Council recognises the importance of seeing Gaelic as an important job skill and of notifying situations in which its use is essential or desirable and we recognise the importance of enabling staff to develop their Gaelic skills if they can and want to deploy them in support of the

Council's Gaelic Language Plan.

2.5 Gaelic Language Acquisition and Usage

Midlothian Council recognises that a sustainable future for Gaelic requires more people to learn the language and that attention requires to be

focused on the home, education and adult learning as the key means of achieving this. We will take the following steps to help create a supportive environment for growing the number of Gaelic speakers in Midlothian.

This plan is the policy of Midlothian Council and has been endorsed both by our Council Management Team and Council members.

The Chief Executive will be responsible ultimately for ensuring that the Council delivers on the commitments set out in this Plan.

Individual responsibility for various actions set out in Chapter 2 of the Plan has been assigned to relevant staff members and we have set out the individual target dates for when we expect to implement specific commitments.

The council will monitor the implementation of the Gaelic Language Plan through a bi-annual update on progress in implementing the actions set out on Chapter 2. These monitoring reports will be submitted to Bòrd na Gàidhlig.

A news release will be published on our website when the final Plan is approved.

1.2	A' sireadh gun tèid buidheann-obrach a stèidheachadh gus molaidhean a chur an gnìomh stèidhichte air na teachdaireachdan a fhuaras tron cho-chomhairle.	
2.0	Cùl-fhiosrachadh

3.2	San fharsaingeachd bha na teachdaireachdan a' cur an cèill gu bheil atharrachadh a dhìth air mar a tha Bòrd na Gàidhlig a' cur an gnìomh a' bhuidseat leasachaidh is sgeamaichean maoineachaidh gus am feum as fheàrr a dhèanamh den airgead, le cuid de na molaidhean aig ìre mionaideach no beag, is cuid aig ìre ro-innleachdail no mòr.

2.0	Cùl-fhiosrachadh	
2.1	Chaidh pàipear le molaidhean a thaobh bogadh airson luchd-teagaisg clàraichte a chur air adhart agus aontachadh aig a' Chomataidh Poileasaidh is Ghoireasan air 28/01/2020. Airson seisean 2020-21 thabhainn sinn air ùghdarrasan ionadail, cothroman airson luchd-teagaisg clàraichte àiteachan maoinichte fhaighinn air cùrsaichean ann an: ➤ Oilthigh na Gàidhealtachd agus nan Eilean (SMO agus Colaisde a' Chaisteil) agus ➤ Oilthigh Ghlaschu. Fhuair aonta a-rithist ann am prionnsapal bho na trì solaraichean a thaobh luchd-obrach freagarrach a bhith a' dèanamh nan cùrsaichean bogaidh aca an an seisein 2021-22. Bhuail Covid-19 air an àireamh de luchd-teagaisg a fhuair an cothrom a thighinn air cùrsaichean bogaidh ann an seisean 2020-21 (leis nach robh gach Ùghdarras Ionadail deònach luchd-teagaisg a leigeil a-mach às an sgoil airson cùrsaichean trèanaidh làn-thìde). Tha coltas ann gum bi seo a' leantainn air adhart airson seisean 21-22. Mar sin dheth chan eil sinn an dùil gum bidh na h-àireamhan a tha a' sireadh àiteachan a' dol am meud gu mòr. Fhuair a h-uile tagraiche an cothrom a dhol air cùrsa bogaidh ann am 20-21. Ma thèid am pàipear seo aontachadh leis a' Chomataidh, obraichidh an Sgioba Foghlaim le oifigearan Ùghdarras Ionadail fa leth gus tagraichean freagarrach a chomharrachadh airson nan cùrsaichean seo. Mar a thachair ann am bliadhnachan eile, feumaidh gealltanais a bhith ann, gun rachadh an obair aca a ghluasad bho Foghlam tron Beurla gu Foghlam tron Ghàidhlig, às dèidh dhaibh an cùrsa a choileanadh gu soirbheachail. Tro chòmhradh proifeiseanta le diofar Ùghdarrasan Ionadail tha sinn mothachail gu bheil e gu math dùbhlach Oifigearan Leasachadh Chloinne fhastadh airson beàrnann ann an sgoiltean-àraich Foghlam tron Ghàidhlig, agus mar thoradh air sin mholamaid gun tèid an sgeama a leudachadh do dh'Oifigearan Leasachadh Chloinne cuideachd.

Ann am Pàirt 1 tha stiùireadh ann a tha gu sònraichte co-cheangailte ri Achd an Fhoghlaim (Alba) 2016 agus mu phròiseas nan tagraidhean airson foghlam bun-sgoile tron Ghàidhlig (FBG) agus mun dleastanas a th' air ùghdarrasan foghlaim gus taic a thoirt do dh'fhoghlam Gàidhlig agus a chur air adhart.. Ann am Pàirt 2 tha stiùireadh a bharrachd ann co-cheangailte ri mar a thèid foghlam Gàidhlig a libhrigeadh ann an sgoiltean. Feumaidh ùghdarrasan poblach na h-Alba aire a thoirt don Stiùireadh Reachdail nuair a tha na dleastanasan aca a' buntainn ri foghlam Gàidhlig no libhrigeadh foghlam Gàidhlig, a' gabhail a-steach FtG. Policy for Identification and Treatment of Information Considered to be Confidential or Highly Sensitive

Introduction

Confidentiality and the way in which it applies to information is governed by Scots law and can be very complex. For information to be legitimately confidential, it must either satisfy a claim to maintaining the confidentiality of communications (such as information subject to legal professional privilege) or have the necessary quality of confidence.

It is often difficult to know whether information constitutes confidential information. Additionally, there is other information which may have a degree of sensitivity and therefore, in practice, should be considered confidential.

The purpose of this policy is to identify information in Bòrd na Gàidhlig that is considered to be of a confidential nature and to establish guidelines for the storage and use of that confidential information thereby increasing employee awareness of the risks of loss or misuse.

Background

There is a need to establish a system of classification of information across Bòrd na Gàidhlig. Bòrd na Gàidhlig has adopted the UK Government Security Classifications, which simplifies previously existing structures. There are 3 levels:

- Official - the majority of information that is created or processed by the public sector. This includes routine business operations and services, some of which could have damaging consequences if lost, stolen or published in the media, but are not subject to a heightened threat profile;
- Secret - Very sensitive information that justifies heightened protective measures to defend against determined and highly capable threat actors. For example, where compromise could seriously damage military capabilities, international relations or the investigation of serious organised crime;
- Top Secret – Her Majesty's Government's most sensitive information requiring the highest levels of protection from the most serious threats. For example, where compromise could cause widespread loss of life or else threaten the security or economic wellbeing of the country or friendly nations.

Information that is unclassified effectively has no restriction and therefore should be considered public.

Bòrd na Gàidhlig is very unlikely to hold any information that constitutes a Secret or Top-Secret classification. Therefore, to provide some differentiation between routine, operational information that may be generally accessible by those who work in the organisation, and that which may be more sensitive or considered confidential and should have more restricted access, Bòrd na Gàidhlig also uses Official-Sensitive. This designation is outlined in the classification [scheme guidance](#). Information that is considered confidential should always be classified and marked as Official Sensitive.

On no account should Bòrd na Gàidhlig information be marked as Confidential unless it has been legally certified as being of a genuinely confidential nature. It should be noted that Confidential is no longer a security classification and therefore information should be marked as Official-Sensitive-Confidential.

On receipt of any third-party information that is marked as confidential, the sender should always be informed that Bòrd na Gàidhlig is unable to hold the information on that basis, and the classification should be replaced with Official Sensitive. This does **not** mean that some types of information should not be treated as if it is confidential, and further details are provided below.

Policy statement

Bòrd na Gàidhlig recognises that the loss, theft or leaking of personal data and other information that is considered to be of a confidential nature can have devastating consequences for individuals and cause severe financial and reputational damage to the organisation, including possible legal action and fines. It is therefore essential that employees and Board Members do not misuse information that has a security classification of Official or above. Employees are covered by a Confidentiality Agreement signed on appointment and Board Members are covered by a Code of Conduct which covers this subject. Employees should note that they remain covered by this Agreement after their employment with Bòrd na Gàidhlig is terminated for any reason.

Suppliers and contractors are addressed through Bòrd na Gàidhlig standard terms and conditions.

Definitions

Information that is considered to be of a confidential nature generally consists of information not freely available in the public domain about a person or an entity that, if disclosed, lost, altered, corrupted or misused could cause significant harm to the person, entity or Bòrd na Gàidhlig. Bòrd na Gàidhlig is bound by law or contract to protect some types of information that is considered confidential, e.g. under the General Data Protection Regulation or Data Protection Act 2018.

Freedom of Information (Scotland) Act 2002

The Freedom of Information (Scotland) Act 2002 gives a general right of access to all types of recorded information held by public authorities, sets out exemptions from that right and places a number of obligations on public authorities. Any person who makes a request to a public authority for information is entitled to receive that information, subject to exemptions relating to confidentiality etc.

Information may be withheld where Bòrd na Gàidhlig considers that the disclosure may fall within one of the exemptions contained in the Act. For example, Bòrd na Gàidhlig may withhold information if its disclosure would breach the law of confidentiality or substantially prejudice the commercial interests of any person or organisation. Bòrd na Gàidhlig will also withhold information which is personal data under the General Data Protection Regulation where disclosure would breach one or more of the data protection principles or would cause substantial and unwarranted damage or distress. Regardless of security classification, Bòrd na Gàidhlig must consider the applicability (or continued applicability) of an exemption at the time the request is made.

Non-Disclosure Agreements

Bòrd na Gàidhlig does not generally enter into non-disclosure agreements (NDAs) and appropriate legal advice must be taken before entering into any type of agreement that places a restriction on the disclosure of information. NDAs are not recognised by FOI or Environmental Information (Scotland) Regulations 2004 (EIRs), and information being requested can only be withheld if one or more of the exemptions (or exceptions under the EIRs) applies. As stated above, the confidentiality exemption can only be applied where the information is of a genuinely confidential nature and, by law, this requires a number of criteria to apply.

All staff should be aware that should they enter into an NDA that relates to information the

organisation is subsequently compelled to disclose, that disclosure is likely to be considered a breach of contract by the other party to the NDA and penalties are likely to be imposed.

Information that should be considered to be of an official-sensitive nature in the context of Bòrd na Gàidhlig includes but is not limited to:

To save a document in SharePoint and all file servers within the organisation and all file servers within the organisation and add a password:

1. Select "Save as"
2. In the lower left corner select "Tools" then "General options"
3. Enter a "Password to open" and click "OK"

2. Misuse of information that is considered to be of a confidential nature can be intentional (acts and/or omissions), or a product of negligence. Misuse includes but is not limited to:
 - accessing information not directly relevant to the employee's specifically assigned tasks
 - disclosing, discussing and/or providing information considered to be confidential to any individual not authorised to view or access that data, including but not limited to third parties, other employees, stakeholders, public and media
 - reckless, careless, negligent, or improper handling, storage or disposal of data considered to be confidential, including electronically stored and/or transmitted data, printed documents and reports containing information considered to be confidential
 - deleting or altering information without authorisation
 - generating and/or disseminating false or misleading information, and
 - using information viewed or retrieved from the systems for personal or any other unauthorised or unlawful use.
3. Employees who have been assigned personal access codes and passwords to work with systems that generate, store or manage information considered to be of a confidential nature bear the responsibility for preserving the complete confidentiality of such codes to ensure against unauthorised use by any other person.
4. Employees who have any reason to believe or suspect that someone else is using their personal access codes must immediately notify their line manager.
5. Employees are expected to:
 - identify information considered to be confidential and materials with an appropriate information security classification

- proactively seek information regarding and comply with any restrictions on the use, administration, processing, storage or transfer of the information considered to be confidential in any form, physical or electronic

6. Employees who have access to information that is considered to be of a confidential nature are expected to know and understand associated security requirements, and to take measures to protect the information, regardless of the data storage medium being used, e.g., printed media (forms, work papers, reports, books), computers, data/voice networks, physical storage environments (offices, filing cabinets, drawers), and magnetic and optical storage media (hard drives, diskettes, tapes, CDs, flash drives).
 7. PC and laptop display screens should be positioned so that only authorised users can view any information with a security classification. Employees that regularly process highly sensitive information should have screen protectors fitted on all electronic devices that are regularly used for Bòrd na Gàidhlig business including mobile phones.
 8. Information with a classification of Official-Sensitive or higher should be discarded in a way that will preserve security (e.g., in a shred box, not in a waste or recycling bin).
 9. Employee misuse of Bòrd na Gàidhlig information and/or the systems in which the information is stored is a serious breach of job responsibilities and may result in disciplinary action.

Reporting breaches

Employees must notify the Head of Finance and Corporate Services, who is our Senior Information Risk Officer, of any violation of these guidelines. Employees may report any concerns immediately to their line manager or head of department or to Bòrd na Gàidhlig's Data Protection Officer where the violation relates to personal data.

Guidelines for storage and transfer of confidential information and data

Good practice dictates that all information with a classification of Official-sensitive or higher, including waste, should be locked away in appropriate lockable containers, drawers, desks or cupboards when not in use or whenever an office is left unattended. Such documents should not normally be removed from the office but if they are then the carrying employee is solely responsible for their security. Generally:

- protected documents must not be left in an unattended motor vehicle
- they must not be read or left unattended in a public place
- they should not be discussed in a public place where the employee can be overheard
- they must remain in the possession of the carrying employee at all times.

The physical security of desktop PCs, laptop computers and ipads, use of passwords and email are all covered in the Acceptable Use Policy for Bòrd na Gàidhlig IT Systems. If you need to send or receive sensitive to or from external sources, please contact the Corporate Services Team in advance.
